PROFILE

The Industry Council on the Environment (ICE) is a Texas-based, non-profit organization, whose members represent industry, consultants and contractors that are involved with environmental compliance, assessment, and corrective action.

HISTORY

Originally formed in 1989 as the Industry Advisory Group (IAG), the organization assumed the name "Industry Council on the Environment" in 1991.

At that time, the scope of membership broadened from focusing solely on Texas petroleum storage tank matters to developing and monitoring a wide range of environmental issues impacting business and industry (Regulatory-Legislative/Water/ Air/Waste-TRRP/PST).

Monthly meetings have featured commissioners, department leaders, technical experts and decision makers from Texas Commission on Environmental Quality, Railroad Commission of Texas, Texas Water Development Board, and other environmental agencies and organizations, as well as industry experts.

Annual Membership Dues:

**Corporation \$500.00
(more than 25 Texas Employees)**

**Small Business \$325.00
(2-25 Texas Employees)**

**Sole Proprietor/ \$200.00
Self Employed**

Monthly ICE Meetings

are held at 9:30 a.m.
Third Thursday of each month in Austin
